MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 23rd March 1965

Subject.—Import of machinery, components thereof, equipment, other commodities and raw materials from the U.S.A., under AID Loan No. 103.

No. 17-ITC(PN)/65.—Attention is invited to public Notice No. 52-ITC(PN)/64, dated the 24th June, 1964 (as amended from time to time) setting out the conditions applicable to import licences under U.S. AID Loan No. 103.

2. Under clause (x) of the Appendix to the aforesaid Public Notice, the importers are required to ensure that where the prices include commission for the local distributor (i.e. the Agent Company in India), the contract entered into with the U.S. Supplier provides that the Agent's Commission is deducted from the contract prices, to be settled in rupees in India between the Agent and the importer. This implies that prior to entering into contract, the importer should specifically ascertain from the U.S. Supplier concerned whether the latter has his Agent in India and whether payment of Agent's Commission is involved. Importers should keep this requirement in view for strict compliance while entering into contracts with U.S. Suppliers against their AID licences. The importers should also instruct the U.S. Suppliers to indicate specifically the amount of Agency Commission, in their invoices and supplier's certificate.

P. SABANAYAGAM.

Chief Controller of Imports and Exports.
